1. Determination based on ESSB 6566, Section 2. Requirements include:
* Counties containing an urban growth area with a state highway segment exceeding 100 person hours of delay;
* Each city within an urban growth area with a state highway segment exceeding 100 person hours of delay;
* Counties and cities located in any contiguous urban growth areas;
* Jurisdictions located within an urban growth area with a population greater than 70,000 that adopted a CTR ordinance before the year 2000 (as well as any jurisdictions located within contiguous urban growth areas)
* Jurisdictions containing a major employment installation in a county with an affected urban growth area
2. Because the affected UGAs in unincorporated Yakima County do not contain a major employer, Yakima County is not required to do a CTR plan
